

Presentation	Every group member is actively involved.	Most of the group members are involved but some may only speak a little.	Everyone is not involved in the presentation.	
Presentation	Good speaking skills are on display at all times: eye contact, maturity level, practiced, and appropriate volume level.	Speaking skills are evident throughout most of the presentation but are lacking in some areas.	Speaking skills distored from the information that is trying to be conveyed.	

Total Points: ____/160
