KOSHER

Kashrut: Spiritual Diet for a Small Planet

For our physical wellbeing, few things are as important as a healthy diet. But the Kosher laws offer the soul similar benefits, and more. The mystical masters teach us that everything we eat has a bit of holiness – a "spark" of divine energy released when we eat foods prepared in accord with the kosher laws. Just as the body responds to the quality of the food that fuels it, so too the soul: With appropriate foods prepared in the prescribed manner, we absorb the Divine nourishment that makes for a healthy spirit. Adapting your diet to a kosher life style is easier than you might imagine. The shelves of your local supermarket are stocked with literally hundreds and thousands of products produced under kosher supervision. All you need to do is ask – call our office for advice and information.
