

# Build a Chick

## Instructions

Print onto thick paper or card, color all the parts of the chick and then carefully cut everything out. Add a little glue to each of the parts and attach them to match the picture top right.

### Fact

Chickens are the closest living relative of dinosaurs, they share a common ancestor with the T-Rex!

Add an optional bow to the chicks neck or hair

### Fact

Chicks have become associated with Easter as they represent new life and the beginning of Spring

### Bow

Glue head here

### Fact

If you watch a chicken eating you will see that they actually slurp grass like spaghetti!
