PRIVACY POLICY

Date: March 15, 2050

Welcome to Horvath Analytics! This Privacy Policy outlines how we collect, use, disclose, and protect your personal information when you interact with our website, products, and services. We are committed to safeguarding your privacy and ensuring the security of your data.

Information We Collect:

1. Personal Information: When you use our website or services, we may collect certain personal information, such as your name, email address, phone number, and job title. We collect this information to provide you with a personalized experience and to improve our services.
2. Usage Data: We may collect non-personal information about your interactions with our website, such as your IP address, browser type, operating system, and pages viewed. This information helps us analyze trends, administer the site, and gather demographic information.
3. Cookies and Similar Technologies: We use cookies and similar technologies to enhance your browsing experience and provide personalized content. These technologies allow us to remember your preferences, analyze site traffic, and improve our services.

How We Use Your Information:

1. Personalization: We use the information collected to personalize your experience and provide you with relevant content and services.
2. Communication: We may use your contact information to communicate with you about our products, services, and promotions.
3. Improve Services: The data we collect helps us analyze and improve our website, products, and services to better serve our customers.
