

“

**Ron Kalifa, Author of the Kalifa Review of UK FinTech for HM Treasury and former CEO of Worldpay:** “Having Tech Nation lead the national connectivity chapter of the Kalifa FinTech Review was hugely impactful. One of its recommendations led to the creation of the new Centre for Finance, Innovation and Technology, seed funded by HM Treasury.”

”

“

**Janet Coyle CBE, Managing Director Business at London & Partners:** “Tech Nation has played a key role in our scale up ecosystem over the past decade. Tech Nation has helped to amplify the UK's strengths in tech on a global stage. We would like to thank the Tech Nation team for your collaboration over the years and for your focus on championing UK scale ups.”

”

“

**Dale Murray CBE, Non Exec Director at Xero, Jupiter Fund Management and Cranemere Group:** “Tech Nation has been at the forefront of a transformation for tech companies in the UK over the past decade. We now have a rich technology ecosystem and Tech Nation's legacy will be that the UK is the best place to start and grow a thriving tech business.”
