Our Influence Is Growing

Our sphere of influence is growing as we expand through various channels and into new markets, allowing broader connections to be made and additional networks to tap into.

We've seen higher than expected growth in the last few years:

- 2019 – 3,679,000 subscribers
- 2020 – 4,415,000 subscribers – 20% growth
- 2021 – 5,828,000 subscribers – 32% growth

Looking into the future, we need to find ways to both replicate this growth, but also stabilize our current subscriber numbers, ensuring that they are happy and continue to advocate our services.
