

Linear vs Non-Linear

The diagram features a background with a blue sky, a pink horizon, and a blue body of water with a white wake. A large yellow arrow on the left points right towards two yellow boxes. Above these boxes, the title 'Linear vs Non-Linear' is written in yellow with a blue outline. Two blue arrows point down from the title to the respective boxes.

**READING
PATH**

There is only one reading path, which is decided by the author

There are multiple reading paths. they are determined by the reader
