Happy Friday one and all! We're back with our weekly newsletter to share all the latest news and insights that are making the most noise in the marketing and tech industries.

Here at TalentHub we like to be as positive as we can, even in a time of uncertainty. To give you (and us, tbh) some light relief, we'll be rounding up the good news we've come across that aims to break through the noise of all the not-so-positive and stressful news we are exposed to 24/7 right now.

So sit back, enjoy and un-wine 🍷 with our Feel Good Friday News Bulletin.

Have a great weekend everyone and stay safe! 🙌
