This image shows a full page of dot grid paper. It features a vertical margin line on the left side and a horizontal header line at the top. The rest of the page is covered by a uniform grid of small dots, spaced evenly both horizontally and vertically.

A 10x10 grid of dots for graphing. The grid consists of 10 rows and 10 columns of small, evenly spaced dots. The dots are arranged in a rectangular pattern, with 10 dots in each row and 10 dots in each column.
