

TRGTM

An isometric illustration on a dark blue background. In the center, a large, curved, light-blue structure resembling a protective shield or a data vault is shown. Inside this structure are two tall, blue server racks. A large, light-blue arrow points from the left towards the server racks. Three stylized human figures in blue are interacting with the system: one stands on the left holding a tablet, another stands on top of the curved structure holding a tablet, and a third sits on the right holding a laptop. The background is filled with various blue geometric shapes like cubes and rectangles, creating a sense of depth and a digital environment.
