Free custom paper templates

Need to wrap an odd-shaped gift? Create a box for it! Measure it up, choose a template and print it. This page is a resource for DIY artists, graphics designers and everyone who likes paper crafts (like me). It contains an ever growing number of templates for gift boxes and increasingly more other interesting things that can be made out of paper. What makes this site special is that the templates are all dynamic: you can customize almost all dimensions. All templates are free, no login is required.
