

CLUNKERS FOR CHRIST

Waiver of Liability and Agreement

I, _____, (print your full legal name), hereby release Clunkers for Christ (the car ministry of West Hills Community Church), all volunteers, employees, and Reuther Automotive Group (the donor of free garage space and facilities) from any and all liability connected with my own participation, and any additional people that has accompanied me, in the Clunkers for Christ event on January 2nd, 2009. I acknowledge that I am participating in these activities on my own time and of my own choice and assume all risk in connection thereto. This includes errors and omissions on the volunteer service of labor conducted as a part of this ministry.

I acknowledge that the Clunkers for Christ program covers the volunteer labor and teaching of automotive tasks, but this does not cover the warranty on parts. That is covered solely by the entity where I buy these parts from and/or the manufacturer thereof. If you need assistance in the purchase of parts or supplies, we suggest you contact a local church near where you live and ask for assistance from their benevolence fund.

I hereby certify that the vehicle described to be worked on by Clunkers for Christ is my vehicle and that I must provide proof of ownership.

I understand that all services of Clunkers for Christ is on a first-come, first-served basis with some prioritization based on need (disabled, elderly, etc.).

I understand that the number of cars that we are going to be able to service depends upon several factors (number of volunteers, what skills those volunteers have, what type of service is requested, etc.). We are not able to take reservations at this time, but are planning more events at regular intervals starting later this year. We do not wish to frustrate or discourage anyone seeking our Christian outreach service, so we will let you know as quickly as possible if the service is beyond our capabilities on that particular date. If someone is turned away because of not enough time or volunteers, we will strive, but cannot guarantee that we will give them priority in future events. Clunkers for Christ only desires to glorify God and we hope that you enter into this agreement in that same frame of mind so we can be mutual blessings to each other and not burdens.

I understand that I do not have to be a member or constituent of West Hills Community Church to receive service from Clunkers for Christ. However, if you do not have a church home and desire to join with us, we would be glad to have you be a part of our fellowship.
