

mhGAP MENTAL HEALTH GAP ACTION PROGRAMME

SCALING UP CARE FOR MENTAL, NEUROLOGICAL, AND SUBSTANCE USE DISORDERS

VISION

Effective and humane care for all with mental, neurological, and substance use disorders.

GOAL

Closing the GAP between what is urgently needed and what is currently available to reduce the burden of mental, neurological, and substance use disorders worldwide by:

- Reinforcing the commitment of stakeholders to increase the allocation of financial and human resources; and
- Achieving higher coverage of key interventions especially in countries with low and lower middle incomes.
