100% Normal text Arial 11 B I U A

1 2 3 4 5 6 7

1 of 2

Hi, there and thanks for signing up. :)

This is Naomi, co-founder at cloudHQ. I noticed that you just downloaded our free service: [Convert Google Docs to Gmail Drafts](#).

This will be your first tutorial. All you have to do is click one button.

Do you see the "Open in Gmail" button on the top right of your screen?
