## SUMMER SESSIONS

### Student Frequently Asked Questions

1. **I have searched through the Summer Sessions Web Site and cannot find an answer to my question. What should I do next?**

A. If you have a question about a specific course, ask the department that sponsors that course. If you have a question about applications, enrollment, fees, transcripts or other matters pertaining to registration, please contact the Office of the University Registrar. If you have a question about Financial Aid, please contact the Financial Aid office.

2. **I would like to sit in on a course to improve my understanding of the subject matter, is that possible?**

A. No. Auditing is not allowed during Summer Sessions. You are required to register and pay fees for any course you wish to attend.

3. **If I have an Incomplete, "I", to complete the course during the summer, what do I have to do?**

A. Make arrangements with both the instructor who assigned the "I" grade and, if needed, the instructor for the Summer Session course to allow you to complete the course (lab, final, etc.). Do not enroll in the course.

4. **I am interested in registering for two courses, but the courses overlap by a half hour. Will I be allowed to register for both courses?**

A. The registration system, SISWeb, will not allow you to add a course that conflicts with another course on your schedule. A Permission To Add (PTA) number is required to override the time conflict. Contact one of the departments for more information.

5. **If I am on the wait list, how will I know if I get into course?**

A. Log on to SISWeb to check your schedule before the session begins. Wait lists will be cancelled on the dates listed in the Summer Sessions calendar.
