THE WESTING GAME

activities pedagogy

We know opening that slip folder and all the work you've done for a teacher is a lot of work. That's why we've included the values activities in this unit and the Common Core standards each are accomplished.

Activity	CC Standard	Pedagogy
Profreading Bite Activity & Discussion	Library RL.1 Library RL.2	Students are challenged with information and resources that are created to divide the lesson into bite size pieces. We like to go outside the classroom and have lessons primarily outside the classroom. If you cannot do this, you can do this in the classroom. If you cannot do this, you can do this in the classroom. If you cannot do this, you can do this in the classroom. If you cannot do this, you can do this in the classroom.
