

# 1940s PARTY TRIVIA QUIZ

- Print out the sheets the size and format you want
- You can play all or some of the quiz individually or in teams (Pairs is always good).
- Optionally, display the PDFs on a device, that all can see, ... you would then need to write down the answers seperately though.
- Keep the answer sheet hidden, it is the last sheet of each PDF

**YOU  
PRINT**
