

A screenshot of the macOS High Sierra update window. The window has a title bar with three window control buttons (red, yellow, green) on the left and a menu bar with five tabs: 'Overview' (selected), 'Displays', 'Storage', 'Support', and 'Service'. The main content area has a white background. On the left is a circular icon showing a landscape with a lake and mountains. To the right of the icon, the text 'macOS High Sierra' is displayed in a large, bold, black font, with 'Version 10.13' in a smaller font below it. Below this, the text 'Update to 10.13?' is shown in a large, bold, red font. Underneath the red text are two buttons: 'System Report...' and 'Software Update...'. At the bottom of the window, a small line of text reads '™ and © 1983-2017 Apple Inc. All Rights Reserved. License Agreement'. The background of the entire image is a scenic landscape with a lake in the foreground, a forest of trees with vibrant yellow and orange autumn foliage in the middle ground, and a rugged mountain range with patches of snow in the background under a clear sky.
