

The screenshot shows the Qlik Sense interface with the following components:

- Top Bar:** Contains icons for **AXIS**, **SETTINGS**, and **SELECTIONS**.
- Left Panel:** Includes options for **BY ROW** and **BY COLUMN**. The **Calendar 4-4-5** visualization is selected.
- Main Area:** Displays a table with columns for dimension, measure, aggregation, and visualization type. Rows are labeled **a** through **e**. A blue box highlights rows **c** and **d**, and a green box highlights rows **f** and **g**.

	Dimension	Measure	Aggregation	Visualization Type
a	Sales Qty			Infocube
b				Algorithm [Num...]
c	Date	PY Standard		Infocube (Previous year)
d	Sales Qty	PY Standard		Infocube (Previous year)
e				Algorithm [Num...]
f	Date	PY 4-4-5		Infocube (Previous year)
g	Sales Qty	PY 4-4-5		Infocube (Previous year)
