

PLAY

You are looking at cfx-ui 2020.2, a fine new addition to our great platform that we've all grown to love. The CitizenFX Collective would like to thank you for playing the game, and by the way, we're not done yet.

On the "Los Santos Summer Special" update: forum.cfx.re/t/1496089

This time, we're much more likely to actually succeed. :)
