

GUIDELINES

1. Closed toe shoes required at all times.
2. On water days, children should wear bathing suits underneath clothing and pack a bag with water shoes/flip flops, a dry change of clothes, and a towel. Please apply sunscreen before school.
3. Children should pack a nutritious lunch daily; please no soda or candy. We are unable to microwave or refrigerate lunches; use thermoses and freezer packs accordingly.
4. Children entering kindergarten in the fall and older do not nap. All younger children must bring a roll-up nap mat in a recyclable shopping bag to be taken home each Friday to wash, along with a spare change of clothing in a ziplock bag. All items must be labeled.
5. SCA enforces policies and procedures related to health & safety to protect our students from illnesses and injuries. Refer to our "Answers to Frequently Asked Questions" form for details.

Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres. Love never fails.
1 Corinthians 13
