

Welcome to Rochester Regional Health System! At Rochester Regional System you'll find the friendliest and most compassionate people dedicated to providing the best possible health care experience. We are excited to have you join our team and look forward to meeting you.

This clinical orientation has been developed to meet the needs of all new employees with a wide range of experience in the industry. This orientation has been designed to acquaint you with the philosophy, policies, and procedures of Rochester Regional Health System and will assist you with your transition into your new role.

Below is your clinical orientation schedule for the next two weeks. All new hires are expected to attend the corporate New Employee Orientation on Monday. Please review the schedule below carefully and make the necessary accommodations as it is **REQUIRED** that you attend the entire clinical orientation program. If you have any questions, please contact the Clinical Education Team directly (Contact information is listed on page 2).

Start Date: _____

The dress code for the classroom orientation is business casual (jeans and sneakers are not allowed).
