

Nitu (my friend) : Hello, Apu. How are you?

Apu (myself) : I'm fine. You? Sworolipi.blogspot.com

Nitu : I'm fine too. I want to know something about your home.

Apu : You're most welcome. Tell me what do you want to know?

Nitu : What kind of home do you have?

Apu : Ours is a two-storied building facing the south.

Nitu : How many rooms are there in your home?

Apu : There are four bed rooms, a drawing room, a dining room, a kitchen and five baths in our home.

Nitu : Do you have any personal room?

Apu : Yes, indeed. I use it as my bed cum reading room.

Nitu : Thank you very much.

Apu : Thank you too.
