Capital

Germany is a country in Western and Central Europe with 82 million inhabitants. It is considered the most populous member state of the European Union. Following 1990, Germany was divided by allied occupation and existed in two states: West and East Germany. In 1990, Germany was reunited and became the world's most developed country of the 21st century. Germany is a federal parliamentary republic of sixteen states. It is also the home of many famous philosophers and scientists. About 50% of the population is Protestant. Germany held the summer Olympic games in Berlin in 1936 and in Munich in 1972. It was also the host of the 2006 FIFA World Cup. Germany is the most populous country in Europe with 82 million inhabitants.
