

A pretzel is a bread that is made from a dough that is shaped like a twisted knot. Bread snacks are often made with salt, cheese, sugar, and other ingredients. Pretzels can be eaten as a snack or in a sandwich.

Germany

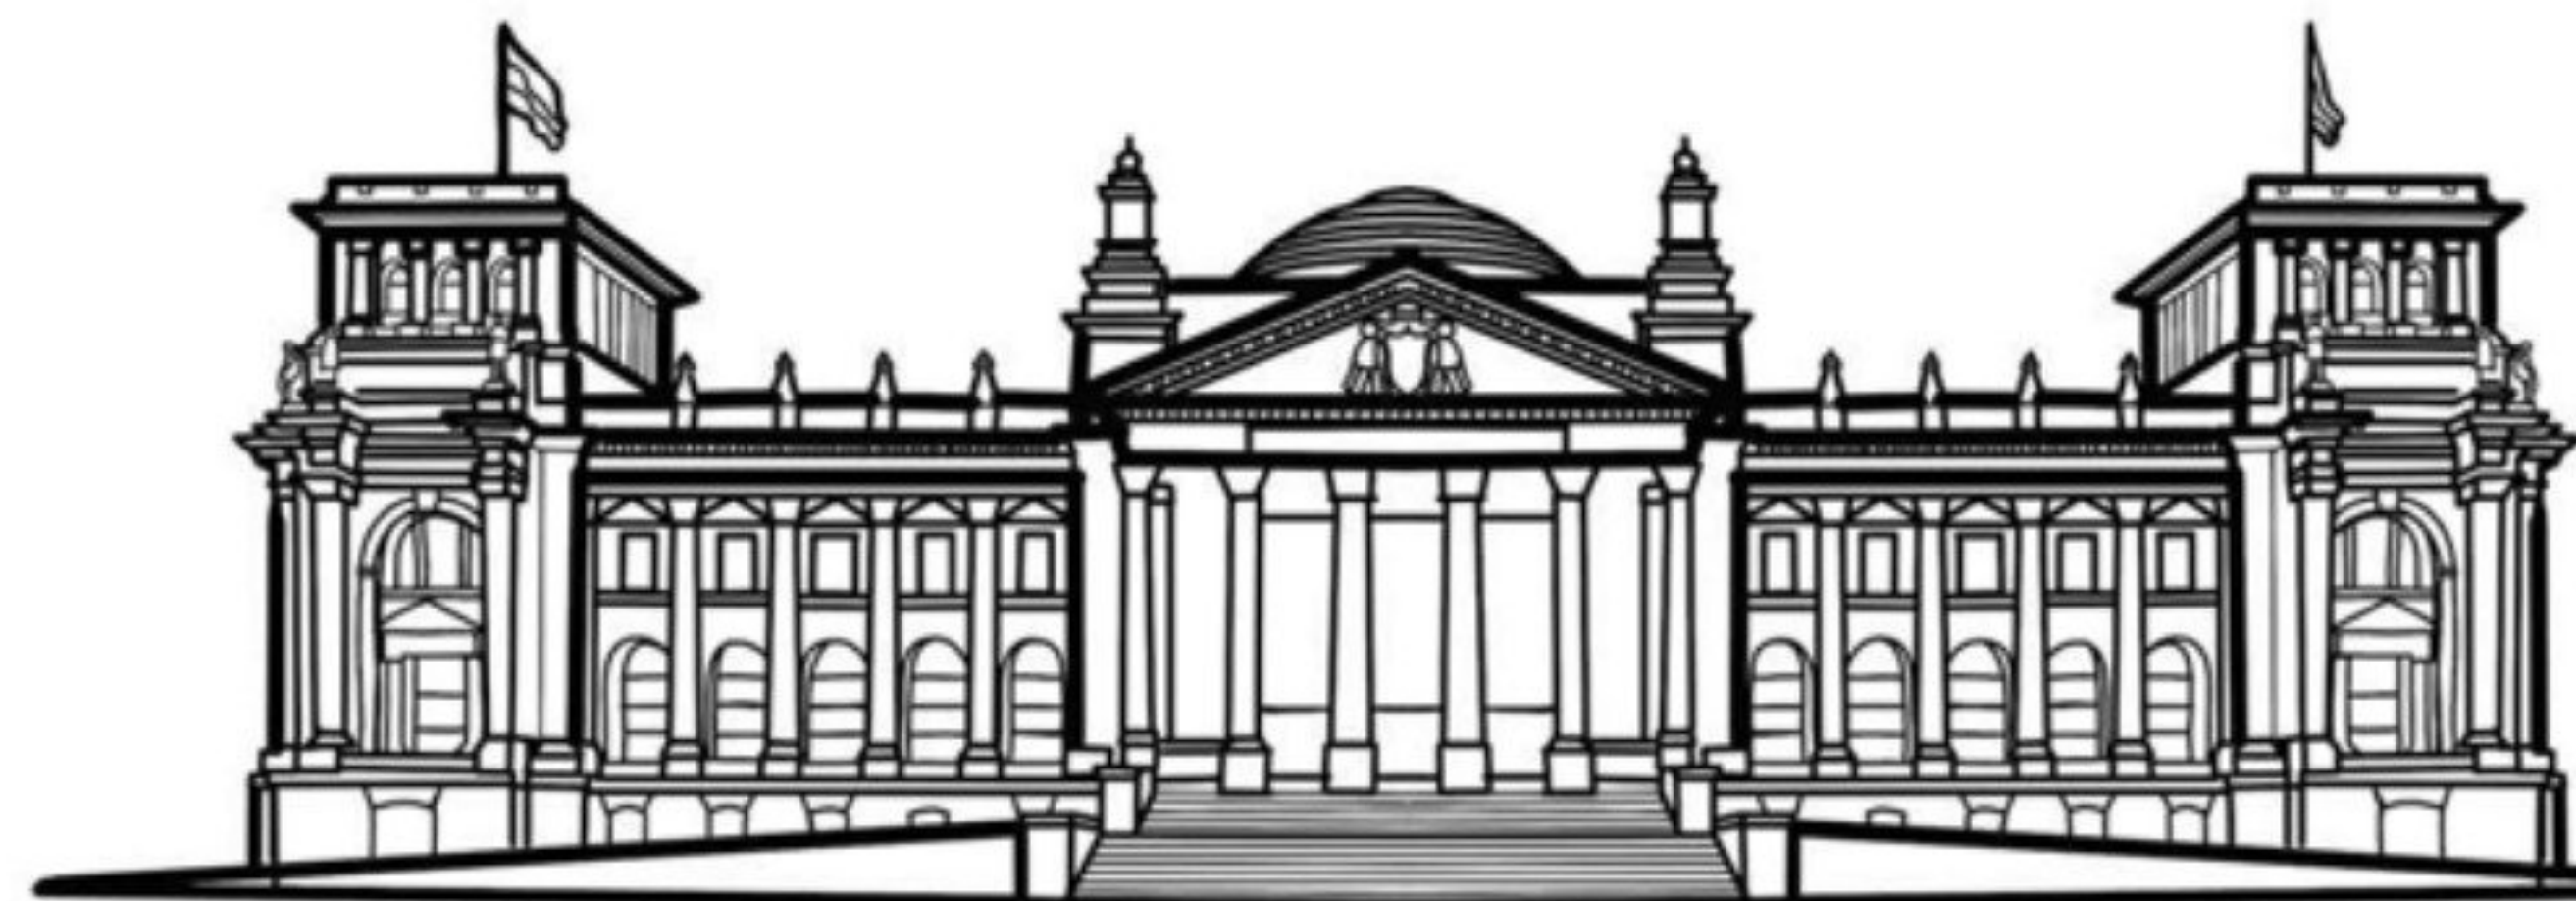

Germany is located in Europe and shares borders with 9 countries. The capital of Germany is Berlin.

GERMANY

COUNTRY STUDY

The Reichstag is a building designed as a home of the parliament of the German Empire. Construction starting in 1884, it was completed in 1894. The building was majorly destroyed in a fire in February 1933.
