### Your Costa Rican Vacation

        After 20 years in Costa Rica, Tico Times fishing columnist Jerry Ruhlow and his staff at Costa Rica Outdoors know the territory as well as any and better than most. Our Travel Division will plan a trip designed for your special interests and budget… including, but not limited to, fishing on either coast or on inland waters, hotels, white water rafting, volcanoes, jungle river, rainforest trips and more.
We will meet you at the airport on your arrival, and we will see you off on departure. There are no "packages" on the shelf. Every trip is customized to your schedule, interests and budget, and we can be reached by telephone 24 hours a day while you are in the country if you have questions or an emergency.
