

LOOK AT MY
DRAWING!

HEY
THIS IS
GREAT!

BUT WHY IS
THE SUN WEARING
SUNGLASSES? HMM?
WHAT IS THE SUN
SHIELDING ITS EYES
FROM?

YOU'VE GOT IT BACKWARDS. THE
SUN PREDATES HUMANS. IT WAS
WEARING THOSE GLASSES BEFORE
WE EXISTED. WE FASHIONED OUR
GLASSES OUT OF CRUDE PLASTICS
IN A CHEAP FACSIMILE OF THE
GREATNESS THAT IS THE SUN. WE
WISH TO BE THAT COOL BUT WILL
NEVER REACH EVEN A FRACTION
OF THAT POTENTIAL.

@CHRISHALLBECK
