Tally Marks

What is the monthly pattern?

The worksheet is titled "SEPTEMBER 2012" in large, bold letters at the top center. On either side of the title is a simple drawing of an apple. Below the title is a calendar grid with columns labeled Sunday through Saturday. The dates 1 through 15 are written in a dotted font for tracing. To the right of the calendar is a box labeled "Tally Marks" with two blank rows for recording. Below the calendar is a section titled "Weather Report" with a grid for daily entries. At the bottom center is a box labeled "September Birthdays" with a decorative border. To the right of the birthdays box is another section with questions about days in September and school days.
