2018

Yearly Calendar

Figure 1 displays 12 monthly calendar charts for the year 2012, arranged in a 4x3 grid. Each chart shows the days of the month in a grid, with the month name at the top. The charts are arranged in four rows and three columns. The first row contains January, February, and March. The second row contains April, May, and June. The third row contains July, August, and September. The fourth row contains October, November, and December. Each chart has a header row with the days of the week (Sun, Mon, Tue, Wed, Thu, Fri, Sat) and a grid of dates. The dates are color-coded: blue for weekdays and red for weekends. The year 2012 is indicated in the top right corner of each chart.
