## Perpetual Calendar Template

File created! Click on the button below to open the file, or check your Google Drive for the file named "Copy of Perpetual Calendar"

[Open File](#)

**File Type:** Spreadsheet

**Description:** This perpetual calendar template includes a Yearly Calendar as well as Monthly Calendars on separate tabs. Create a calendar for 2014, 2015, or beyond by just changing the year. Create a School Calendar by changing the start month. Set the first day of the week to Sunday or Monday.
