- A horizontal calendar layout. At the top, there is a blank line for a title. Below it, the days of the week are listed: SUN, MON, TUE, WED, THU, and FRI. The calendar grid consists of 6 rows and 6 columns. Each cell in the grid contains a horizontal line for writing. A large, semi-transparent brown circle is overlaid on the left side of the calendar, partially covering the first two columns. The word "HORIZONTAL" is written in white capital letters across the middle of this circle. In the top right corner, a portion of another calendar page is visible, showing the word "SUN" and some lines.
