

Instructions

01

Choose and click the file format to download the template.

02

If you select a Google Sheet format, you will be prompted to make a copy of the file.

03

If you select Microsoft Excel, the downloaded file will be added to your computer's Download folder.

04

Open the copied or downloaded template and start using or customizing it.

05

The template is yours to keep and print as needed.
