

Clean up, clean up; that's what I say.  
Clean up, clean up, put stuff away

Pick up, pick up, girls and boys.  
Pick up, pick up, pick up your toys.

We're cleaning up; we're cleaning up.  
We're putting stuff away.  
We're cleaning up; we're cleaning up.  
We do it everyday.

Pick up, pick up, girls and boys.  
Pick up, pick up, pick up your toys.

Clean up, clean up; that's what I say.  
Clean up, clean up, put stuff away
