MONTHLY CALENDAR

The image shows a Google Sheets template for a monthly calendar. The template is displayed on a laptop screen. The header section includes a "MONTH:" dropdown set to "JANUARY", a "YEAR:" dropdown set to "2023", and a progress bar showing "38.2%". To the right of the progress bar are sections for "PENDING" (55), "DONE" (34), and "TOTAL TASKS" (89). Below the header is a grid for the month of January 2023, with columns for each day of the week (SUNDAY to SATURDAY) and rows for each day of the month (1 to 31). Each day's cell contains a progress bar and a list of tasks with checkboxes. For example, on January 1st, the tasks are "6am: Gym", "10am: Call Jonathan", and "5pm: Drinks with Patricia". On the right side of the calendar grid, there are two sections: "TOP GOALS" and "TO DO LIST". The "TOP GOALS" section has a list of goals with checkboxes, such as "SAVE 1200\$", "ACHIEVE HEALTHY W", and "90K TIKTOK LIK". The "TO DO LIST" section has a list of tasks with checkboxes, such as "PAY ELECTRIC BILLS", "FINISH PROJECT", and "BUY A PERFUME". A green Google Sheets icon is overlaid on the bottom right of the screen.
