

Monday Start

The image displays a 3D-rendered calendar interface. The primary calendar is a 6x7 grid representing a month. The columns are labeled with the days of the week: MON, TUE, WED, THU, FRI, SAT, and SUN. The rows represent weeks. The cells for Monday through Friday are light blue, while the cells for Saturday and Sunday are light yellow. A smaller, semi-transparent calendar is overlaid on the bottom right, showing a 4x4 grid of days from Sunday to Wednesday. The background is a solid light gray.
