

A Guide to Successful Pruning

Deciduous Tree Pruning Calendar

Supported by Grant F. P. from the National Science Foundation, Office for Biological and Environmental Research, and the National Energy Research Scientific Computing Center, Lawrence Livermore National Laboratory.

Comments:

1. Avoid putting on baby clothes until you get done giving them; make sure that their skin remains dry.
2. Avoid putting them in long-sleeved clothes due to excessive skin problems.
3. Avoid putting them in contact of anything that contains oil or fat.
4. Avoid putting other baby lotions on them; make sure they are dry.
5. These items are not recommended due to their irritating nature.
6. Do not use any lotions or creams; it is not recommended to use any lotions or creams on baby.
