Use this **bill calendar** to see all your bills and plan when they're due

1. List the month and label the calendar with the dates of the month you want to plan for.

2. Make a list of all your bills.

3. For each bill, mark the payment date: 7 days before the due date for mail, 2 days before the due date for online.

4. Enter when you receive income into the calendar.
