### The Bird and the Butterfly

Butterfly was sad.  
She wanted to go to Bondi Beach.  
It was too far her mom said.  
Bummer!

Bird flew by.  
He saw the sad butterfly.  
Bird wanted to make Butterfly happy.  
Bird asked his friends, Beaver, and Bat to help.  
They put their favorite things in a bag.

Bird, Beaver, and Bat brought Butterfly a big bag of bubbles, and a bug book.
