28	29	30	31			

Holidays: 25 - Christmas Day

- Calculate the number of days between each public holiday on the calendars shown above.

- Columbus Day is celebrated on the second Monday in October. On which date does it fall?

- How many Sundays fall in between the Halloween day and Christmas?

- What is the date three weeks and 6 days after October 23?

- There are four public holidays in October, November and December. Mention the date and month of each public holiday.
