The screenshot shows the Microsoft PowerPoint application window. The title bar at the top reads 'Presentation1 - PowerPoint' and the user's name 'Fatima Wahab' is on the right. The ribbon is set to the 'View' tab, which is highlighted. The ribbon contains several groups of icons: 'Presentation Views' (Normal, Outline, Slide Sorter, Notes Page, Reading View), 'Master Views' (Slide Master, Handout Master, Notes Master), 'Show' (Ruler, Gridlines, Guides), 'Zoom' (Zoom, Fit to Window), 'Color/Grayscale' (Color, Grayscale, Black and White), 'Window' (New Window, Arrange All, Cascade, Move Split, Switch Windows), and 'Macros'. The 'Slide Master' icon is highlighted with a red rectangle. Below the ribbon, the slide area shows a slide with a red border and a diagram. The diagram consists of a large rectangle with a dashed border and a smaller rectangle inside it, also with a dashed border. The text 'Click to add subtitle' is centered below the inner rectangle. The status bar at the bottom indicates 'Slide 1 of 1' and shows icons for 'Notes', 'Comments', and a zoom level of '30%'.
