

# PAPERLESS MORNING WORK

## Read and Answer

One day, Mohammed and Ryan rode their bikes to school. When they got there, no one was there! They wondered what happened to all of the kids and teachers. Mohammed said, "Maybe aliens came and took everyone!" Ryan shook his head, "There's no such thing as aliens! Maybe monsters ate them all!" Mohammed laughed, "No Way! There's no such thing as monsters!" But where had everyone gone? "Wait a second, Ryan. What day is it?", Mohammed asked. "Saturday. Why?" said Ryan. Mohammed just laughed and said, "Think about it, Ryan!"
