The diagram illustrates the vertical layout of an Android application. It is divided into three main horizontal sections. The top section is a green bar labeled 'Status bar' with a height of '24dp'. The middle section is a blue bar labeled 'Toolbar' with a height of '56dp / 64dp'. The bottom section is a large pink area labeled 'Flexible space'. At the very bottom of the pink area, there are two white rectangular boxes, representing content views that occupy the flexible space.
