InstallShield Wizard

Setup has experienced an error.

Please do the following:

- Close any running programs
- Empty your temporary folder
- Check your Internet connection (Internet-based Setups)

Then try to run the Setup again.

Error code: -6005

OK

Windows Security Alert

Virus Detected

Your computer has detected a virus of unknown origin and will now remove it. The file name is:
The folder it is in is:
C:\WINDOWS\System32

Do not delete! Delete

Crasher has stopped working

Windows can check online for a solution to the problem.

- Check online for a solution and close the program
- Close the program
- Debug the program

View problem details
