

HOW WE THRIVE.

1 MORNING BOOST

We Kickstart our day with friendly greetings at the door as a reminder that we all belong here.

2 CONVERSATIONS that COUNT

We have casual, nonacademic group conversations

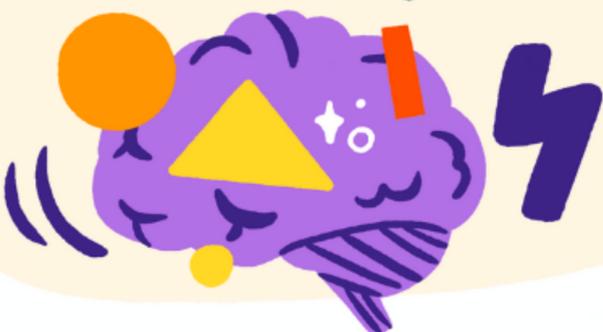

to help build long-lasting connections.

3 REFRESH and RESET

We make space for brain breaks throughout the day to boost our creativity and energy.

4 READY, SET, PLAY!

We make movement and play a priority, as they are essential to our learning!
