

Treble Clef

A musical staff with five lines. The notes C, D, E, F, G, A, B, and C are written in a sequence from left to right. Each note is represented by a colored oval with a vertical stem. The notes are: C (pink, stem on the bottom line), D (orange, stem on the first space), E (yellow, stem on the second space), F (green, stem on the third space), G (blue, stem on the fourth space), A (purple, stem on the top line), B (red, stem on the top line), and C (pink, stem on the top line). The letters C, D, E, F, G, and A are written above their respective notes, while B and C are written to the right of their notes.

Base Clef

A musical staff with five lines. The notes C, D, E, F, G, A, B, and C are written in a sequence from left to right. Each note is represented by a colored oval with a vertical stem. The notes are: C (pink, stem on the bottom line), D (orange, stem on the first space), E (yellow, stem on the second space), F (green, stem on the third space), G (blue, stem on the fourth space), A (purple, stem on the top line), B (red, stem on the top line), and C (pink, stem on the top line). The letters C, D, E, F, G, and A are written above their respective notes, while B and C are written to the right of their notes.
