ABOUT SAVE THE MANATEE® CLUB

Save the Manatee Club (SMC) is an award-winning 501(c)(3) international nonprofit conservation organization established in 1981 by singer/songwriter Jimmy Buffett, and former Florida Governor and U.S. Senator Bob Graham. The Club's mission is to protect manatees and their aquatic habitat for future generations. To accomplish its mission, SMC works closely with federal, state, and local governments, the media, and the public, and supports policies that are based on the best scientific data available. SMC raises public awareness, educates, sponsors research and rescue, rehabilitation, and release efforts, supports land acquisition, promotes aquatic habitat protection, advocates for improved on-the-water protection measures, and supports education and conservation efforts in other countries.
