

Item	Question text
1. Respondent Role	Please describe your role or job in your organization.
2. Previous Hires	Has your organization previously hired students from the computer science program at Oregon State University?
3. Future Hires	In the future, what roles or jobs might you anticipate hiring graduates of our programs for?
4. Technical Skills	What kinds of technical skills or knowledge will be important for our graduates to have in order to fill those jobs?
5. Soft Skills	What other qualities, such as soft skills or other experiences, will be important?
6. University Evaluation	What do you see as the strengths and weaknesses of our university programs, relative to the skills that you're looking for in our graduates?
7. Other Feedback	Finally, what other feedback do you have about potential improvements for our programs?
