

Present vs. Past Simple

told - live – encouraged- felt – happened - were - flies - climbed - saw - wake – feel - stay - flew - was(x2) - woke - did - threw - found - fell - do - are - looked(x2) – started – fell - leaves - flew - tried - used - did – waited- went

There ...**are**..... three cute pigeons. They in a nest on a building in town. Their mother usually.....them alone and to the nearby fields to get them food. When theyup in the morning, they alwaysvery lazy. Theyin the nest and not do anything. Here is what one day.

They up in the morning,at each other, and then chirping loudly. Then, theytired. They almostasleep and suddenly, one of them..... a cake outside a nearby window. He..... the others andthem to go and try to have it. They.....out of the nest one after another. They to reach to the window sill to get the cake. Theyon each other's heads anddown many times. They a see-saw to help them jump and reach the cake. But, they not reach it. At the end, theyback to the nest andnot happy at all.

As the clock was chiming there times, a bird.....over the nest. Ittheir mother. Theyhappily at the sky where their mother was flying. They..... for her and not move. Shesomething. They looked and it was just a worm. Thatthe end of the story and their hope.
