

Oscoda High School

Hello Families |

We hope everyone had a great summer. The 23/24 school year starts on Monday, August 28th. It is coming fast, just 3 weeks away.

As a way to share information, hand out schedules and laptops, and to get students comfortable with the building, OHS is having grade level orientations next week. The back to school information was mailed out at the end of last week. However, if you have not received this information, here is the schedule, along with some more information:

Wednesday, August 16th

7th Grade will begin at 8:30am.

8th Grade will begin at 9:45am.

9th Grade will begin at 11:00am.

Thursday, August 17th

10th Grade will start at 8:30 am.

11th Grade will start at 9:45 am.

12th Grade will start at 11:00am.

There is also an evening orientation for anyone that can not make it during the day. This is scheduled for August 17th at 5:00pm. It will not have grade specific information, but rather give an overview of information.

These orientations will take place in the high school auditorium. Families will hear information pertaining to the upcoming school year. If parents are able to attend or if students have their laptop paperwork completed, they can also go through laptop pickup and update information in Skyward. All families must go into their Skyward to update it every year. If you are unsure how to do this, staff will be available to help at orientation or you can call the office for assistance. This is also a time for you to turn in any paperwork that you may need to, such as the household survey paperwork. This must be completed each year as well. Just a reminder that teachers will not be present at these orientations. As a heads up, the parking lot will be getting seal coated the week of orientations. There may be some parts of the parking lot blocked off due to this.

One question that has been asked is what do I do if I have multiple students in the building?

If you have multiple students in the building, you can attend each orientation or just one. Each meeting will be a little bit different with them being geared towards each grade level. If you have multiple students in the building and do not wish to attend the different meetings, we suggest that you attend the meeting of your oldest student.

Any student that is unable to attend the orientation can pick up their schedule and laptop at our Open House evening.
