From: HPSCI Majority Staff

Subject: Foreign Intelligence Surveillance Act A  
Federal Bureau of Investigation

Purpose

This memorandum provides Members an  
overview of the ongoing investigation into the DoJ  
Investigative (DOJ) and their use of the Foreign  
Intelligence Surveillance Act (FISA) cycle. Our findings  
are organized into two parts: 1) our findings  
on the Department's use of FISA, and 2) our findings  
on the Department's use of FISA to surveil people from other  
countries.
